

Article 4.

Telephone Service and Telephone Membership Corporations.

§ 117-29. Assistance from Rural Electrification Authority in procuring adequate telephone service.

Any number of persons residing in any rural community who are not provided with telephone service or are inadequately provided with same, may make application to the Rural Electrification Authority, upon such form as may be provided by the Rural Electrification Authority for assistance in securing telephone service, showing the circumstances of such community or communities with regard to telephone service and the need therefor. The Rural Electrification Authority shall make an investigation of the situation with respect to telephone service in such rural community or communities and if, upon investigation, it appears that such community or communities are not served with needed telephones or are inadequately served, the facts with reference thereto shall be collected by the Rural Electrification Authority and the Rural Electrification Authority shall promptly bring these facts to the attention of any telephone company serving the area, and shall make reasonable efforts to get such telephone company to provide the needed telephone service in such community or communities.
